

Ken-Sid | Multi-purpose cleaner

Property

- separates oil and water
- excellent cleaning power, even for heavy soiling
- self-emulsifying, thus supporting the wastewater treatment plant

Application

- Engine and chassis cleaning: Spray on undiluted, allow to work in and spray off with a strong water or high-pressure jet. Heavily soiled areas should be scrubbed briefly with a brush or sponge first and then sprayed off.
- Floor cleaning: Undiluted or diluted in a ratio of 1:1 with water.
- All-purpose cleaner: Dilute with water up to a ratio of 1:30.

Note

- Technical data subject to change without notice. Please observe the vehicle or machine manufacturer's directions. Please refer to the safety data sheet for further information.

Available packaging

25 L canister	200 L drum
