

Kenspray | Fast cleaner and anti-corrosion agent

Property

- good cleaning power to remove dirt, dust and surface rust
- compatible with rubber
- protective effect against corrosion
- low fire risk
- not subject to ADR

Application area

- also suitable for cleaning in an immersion bath

Application

- Apply with a clean cloth or spray bottle and wipe away again (allow to work in first in the case of heavy soiling). Wear protective goggles where there is a risk of splashing the face. It is recommended that protective gloves be worn.

Note

- Technical data subject to change without notice. Please observe the vehicle or machine manufacturer's directions. Please refer to the safety data sheet for further information.
